Hmmph
it was you r ght ?

Huyou!
Aoi says he did it
Sorry for being a fool. How about evening your nose hair?
He's a fool
He did it probably because of a fact that you become a completely different person and be kind to women when you get drunk
Before that how about apologizing to Yuri both of you?
Shut up both of you!
Aoi, go out there and buy me my liquor bottles!
With your high attitude like that I figured you might have one or two nose hair sticking out!
How rude! You don't say such stuff to a lady!

Sorry !
There are many fragile stuff in my room.
Huh?
I don't care how you do in the guys' room.
But please be extra careful when cleaning my room.
I am sorry to nterrupt to you
You are large and heavy you know

She sa d she d be stay ng at home for a wh le

Don't wash

Just how can you find him kind ?!
Those freckles are the garbage you should get rid of !
ah

Why don't you admit that you were wrong ?
He s probably pssed at h mself for hav ng been k nd to her before So he s be ng meaner
Because I am not wrong
Although he badmouthes her everyday
you ve not ced haven't you?
When Sum re addresses her
he says 'Yur'
Isn't that a s gn that he s beg nn ng to accept her as a s ster?

I hate you
Good luck to you, too
To some people it's called summer break
Normally Aoi and Sumire onisan are available in afternoon. But they are staying at home all the time now
And mother will join tomorrow
How long has it been since I saw mother last time?
Since Spring
What if she says "You are still fat"...

I don't even know his face
I don't have such
Even when I asked my grandmother she wouldn't tell me
When mother comes back why don't you ask her ?
Although I am sure she will only badmouth him though
What ... ?

끼익
Mother's here.
Who are those two with her?

Expected from a veteran actress
That br ght face
That s
That s
It s huge
Kkya, th s house s awesome

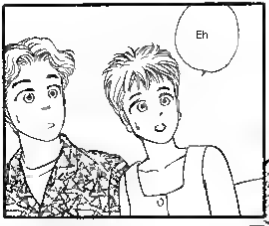
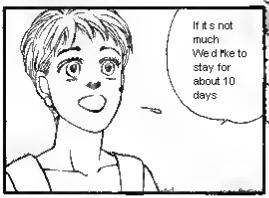
I am Umemoto
The person next to me is my boyfriend
I am Midori Nice to meet you
She's a daughter of a director who handles the drama I am in
But my university's on summer break Besides I wanted to come here once
And you even brought your own boyfriend
Please~ don't be so mean.
I clearly said I didn't want you to come

He greeted brightly while smiling
Umemoto doesn't even recognize me anymore
That girl acts like a fox
In another word mother s□n a relat□nsh□p with her father ?
oh my ?!
Aren't you Yuri ?!
You are Yuri ! Whoa, how did you end up here ?!
Ah - that is really Yuri !

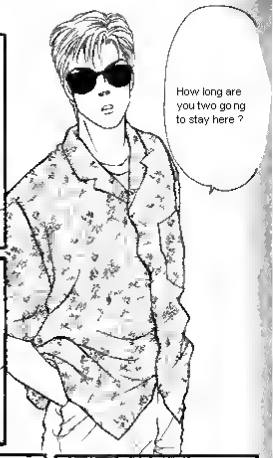
Oh yeah! It was Spring.
She is Umemoto's high school friend.
You two know each other?
Uh.., yeah.
When I saw you last time, you had long hair. Did you get a cut?
I heard you moved. But what are you doing here?
A maid ?
I am going to my room.
Oh!!!



Eh



If it s not much We d ike to stay for about 10 days



How long are you two go ng to stay here ?

Ah and

ok
Yuri come with me

10 days ?

www.janimes.com

You are going to be a burden But stay as long as you would like
I see I don't mind
Don't mind this tone. People in our house have harsh mouths
I have no business with someone like you Go away !
Sumire onsan, what's it ?

Thanks
Sum re on san
He has "I am an dot" mark on h s face
It s h m that you talked about before r ght ?
You sre don't have an eye for men
Huh?
Cons der yourself lucky
he looked so handsome at that t me

Huyou onesan
If a guy like him still looks handsome you have a problem
You were about to waste much time of your life
However I do understand why he picked that girl over you
I seriously do
Yuri
Can I talk to you for a second?

I wanted to ask about Satporo
But the others people n th s house are scary
Mrs Syouko
Oops, sorry, your mother went to her room say ng she s t red
Hehehe
Ah Midori
Come n
Yeah, usually
Are they always l ke that?
Yeah, that s true
Um ! why d d you cut your ha r?
Because Umemoto dumped you?

Ah,
I see
Umemoto
thought you
cut your hair
because of him
He was bluffing
and all So
Is this normal
to be asked
such a question
by ex's girlfriend ?
No
mother
Mother said
this style
would be
prettier on
me
Sorry
for asking
such a
question
I was a little
worried
That's all
I see
Mador-
I have
someone
else now
So you don't
have to worry
about me at all

Don't worry about me huh
I am relieved to hear that
See you
What am I doing here
I am staying in a house where my ex boyfriend and his new girlfriend are
Don't tell me this someone else is Sumire

Of course!
Such a foxy girl s n the house and when Sumire gets drunk
Is it all right to steal them ?
Sumire bought them all!
What are all those liquor bottles for ?
If I hid them n my room he will find it
Hide these n your closet or something
Ah right
He drinks all except for beer and cooking alcohol
Um, does Sumire-oniisan drink all kind of liquor ?

Ume brandy !!
It's not here !
Don't tell me he already
All right ! I have to get it from him !

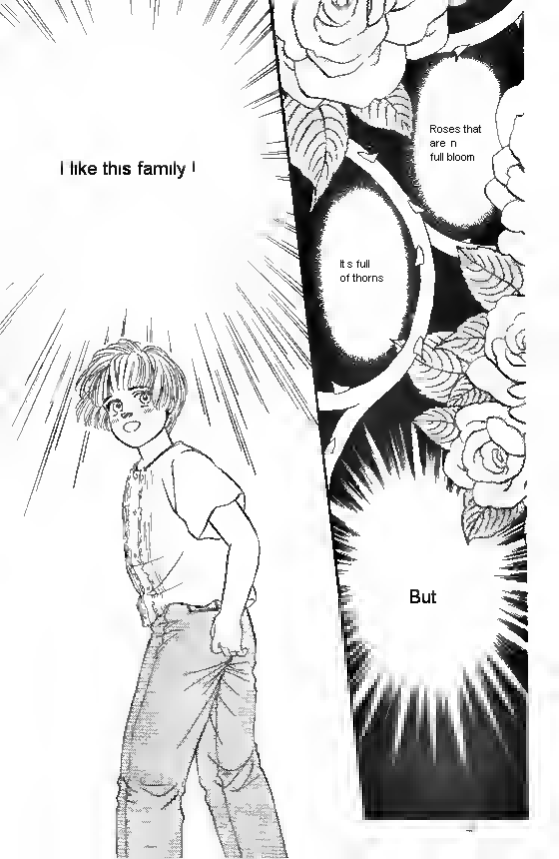
You know, Yuri, she even had ugly mind.
다다
다다다다
Ser ously ?
When I went over to her room she had a book called Camel at moonl ght
A g rl l ke that w ll only make herself even ugl er
She w ll never real ze that she's ugly and all
Bes des I acted a ittle troubled
And then she sa d she had someone else already
janimes
www.janimes.com

I am relieved to hear that
See you!
Behind such a face
she was in fact thinking like that?
What are you standing there for?
The wine brandy is gone
G
Gone?
But it's all right Her boyfriend is staying in her room

Maybe, she is not wicked.
Don't make something like ume brandy in future!
It's just that I didn't know about it....
Maybe, it's what everybody does out there.
But I am afraid
People badmouth others behind others back. It's too scary.

Can I watch you then ?
Can I help you ?
I am fine
Don't you get tired ever ?
I find you amazing
Even the job as a maid would be hard enough
And you deal with this family who are so harsh

Because people in this family do not hide their thoughts.
Is that so ?
Not at all.
Even if there is a misunderstanding you can solve it right where it began
It's like roses
You can clearly see where its thorns are



I like this family !
Roses that are n full bloom
It s full of thorns
But

Eh ?
Did you ask her about your father ?
Pink fragrance of roses,
A garden of roses.
What?
Feeling summer for the first time
With my own two hands.

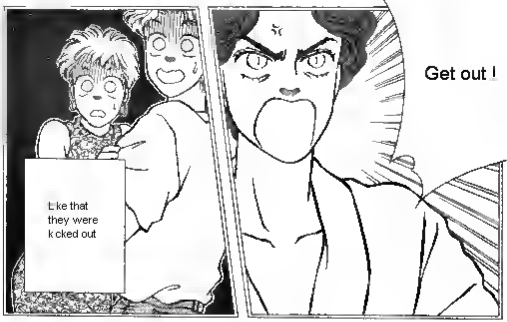
Velvet rose

It s your daughter
It s not you
Who s the most beautiful n the world ?
Dear mirror dear mirror

Umemoto and Midori who planned to stay for 10 days
left after 3 days.
But Midori found out about it
They had a big fight
Umemoto who cares for pretty faces mistook Aio as a girl and approached
He was trying to score
And their loud fight got on nerve of tired and nervous mother



Get out !
Like that they were kicked out

When mother s angry it s even harder to treat her

Who s the most beat ful person
Dear mirror.. dear mirror

Original Fairy tales
That the stepmother who was trying to poison Cinderella was ....
I didn't know -
her real mother ?!

How could a mother do
A mother s supposed to be more
I felt safe to call the mother a witch because she was a stepmother
or so I thought
Her mother became jealous of her own daughter s beauty And dec ded to make her eat a po soned apple
Peel th s please
Waaaaa !

What s th s book ? Oh you are read ng a h gh level book
Sum re s ?
You surpr sed me
I thought it was a po soned apple
Why are you freak ng out?
All I am ask ng s peel an apple
Hmm
The fact was that she was not her stepmother but her real mother
Yeah
I asked h m f there were anyth ng I could read
Now I am shocked
Realty s always l ke that

What s
wth
that
face?
Don't do
that You
look even
ugl er
What about
our mother
then ?
And love
ther
ch ldren
But
Mothers are
supposed to
be lend and
warm
She has done
noth ng as a
mother and
does whatever
she wants
Repeats
remarr age
and d vorce
Whenever she
gets a new man
she abandons
her ch ldren

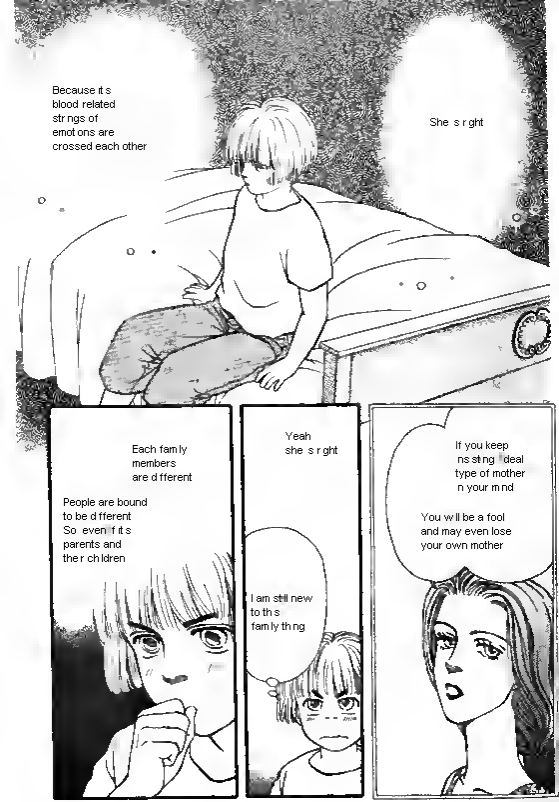
Those who bear any kind of pain and hardship in order to raise her children
Well however it's true that there are some dedicated mothers
Those who are very kind and warm
You were abandoned when you were a baby and had been abandoned for 18 years
Besides mothers are supposed to be dedicated it'd be too hard for them
But saying that "mothers are supposed to" is just wrong
People are bound to be different
What?

www.jammes.com

I don't know whether you are badmouthing mother or praising mother
How so?
What you are saying is
weird
No matter what kind of family it is, when you go deep inside they are bound to be weird in a way or another
But it's only natural
You see
Among human relationships the most hard to understand and yet the most strong are blood related
I guess it's because a family is a collection of people with different thoughts views and positions
Why?

Just keep in mind that if you keep ns sting ideal type of mother in your mind
You will be a fool and may even lose your own mother
It doesn't matter
?
?
?
Huyou-onesan !
By any chance you
Um
What?

I do hate her
But I don't dslke her
Do you hate mother ?



Because it s blood related str ngs of emot ons are crossed each other
She s r ght
Each family members are d fferent
People are bound to be d fferent So even if it s parents and ther ch ldren
Yeah she s r ght
I am still new to th s family th ng
If you keep ns sting deal type of mother n your mnd
You will be a fool and may even lose your own mother

Ahah ?
Wait
How about my case ?

Talked to mother at all !
Wait !
Come to think of it, I haven't even

She has never apologized for that at all !!
I haven't asked about my father
And why I had been abandoned for 18 years
And
For some reason, I am pissed
I have a right to ask such questions as her daughter!
Perhaps this is the first step in mother and daughter relationship
All right!

오!
If it s clean ng do it later
I am gett ng really dense headache Close the curtans
Um no
Argh
Um
Um
Um
Take breakfast out of my room And get me some asp r n
And clean my shoes
And change water n the flower vase

Yes !
Do it now !
I didn't come here for this, mother !
Yur
I came here to ask something !

Yes
Were you
I sten ng to
me when I
was say ng
that I had
a dense
headache ?
And yet
you shout
to me !?
Are you
trying to
kill me ?!
I barely get any
break from work
When I get a chance
to rest, let me rest !
Quit bothering
me and get out
of here !

I just wanted to ask about father.
I am sorry
Ugh forget it
Makurano Ichrou was a betrayer
Well, to you, I am probably just another maid.
and you are always in a bad mood ...
And I haven't had a chance to talk so ...
yes?
Janimes
www.janimes.com

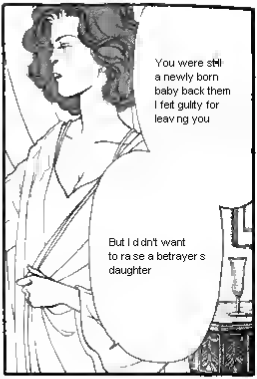
"D dn't want to ra se"

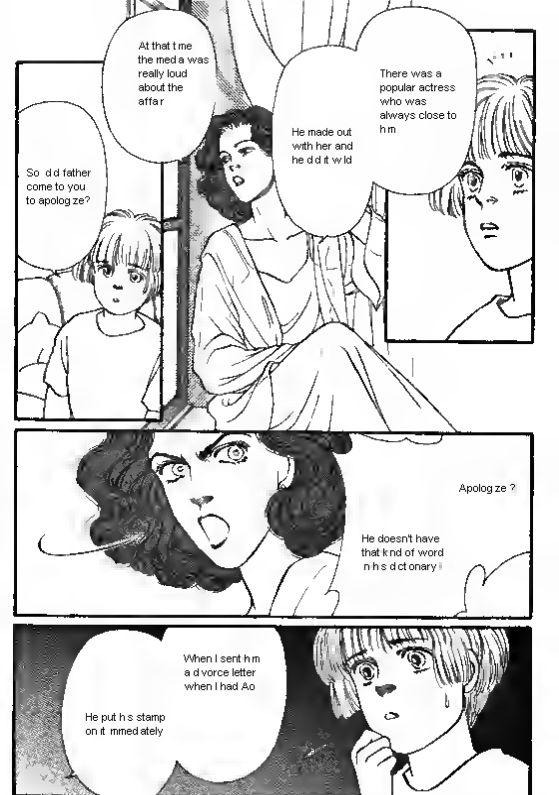
She says such words so eas ly



I regretted more as t me passed So I was about to take you back

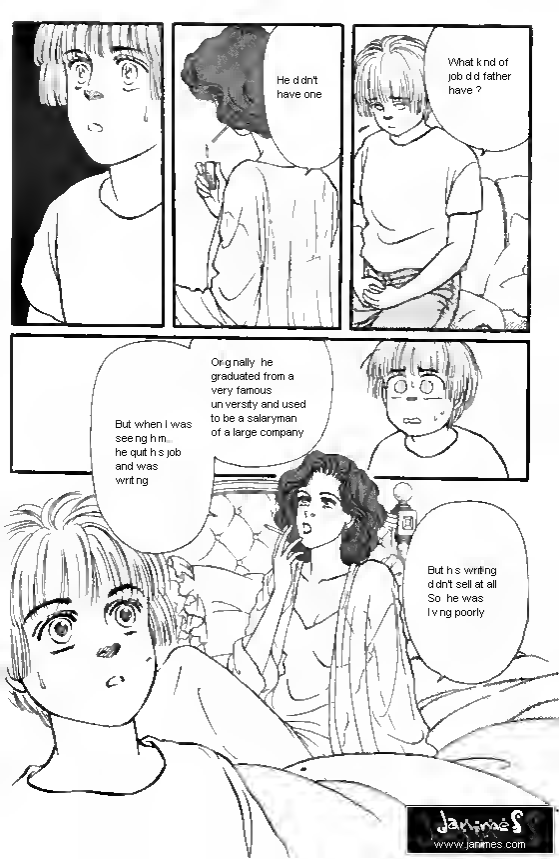
But unfortunately Ao was n my uterus

But perhaps t s bettrer than I sten ng to self defens ve speech



At that time the media was really loud about the affair
There was a popular actress who was always close to him
He made out with her and he did it wild
So did father come to you to apologize?
Apologize?
He doesn't have that kind of word in his dictionary!
When I sent him a divorce letter when I had Ao
He put his stamp on it immediately

You wanted father to come and see you ?
And he sent it by mail
He didn't even come !
No way would one simple piece of paper relieve all my anger !
Don't be ridiculous !
I had a lot to shout at him !
Ahahahah, recalling the past is seriously pissing me off again



He d dn't have one
What k nd of job d d father have ?
Orig nally he graduated from a very famous un versty and used to be a salaryman of a large company
But when I was see ng h m.. he quit h s job and was writ ng
But h s writing d dn't sell at all So he was l v ng poorly

If he had an ability to sell books, he would have been a good
But my income was way higher than his
Mother what did you just say
Because of me, he could
If you don't like the sound of gigolo, call him however you like
However, the fact was that I was supporting the entire family
But calling him a

And then
Yeah
Because I was supporting the entire family, he was able to concentrate on his sticking writing
Such a woman?
How dare he ... with such a woman !!
A rube and ugly woman !

Thinking a beautiful woman like me lost to such a woman
Then she wasn't ugly
She was always bragging about that she won Ms something
She was so childish
What if the woman was more beautiful than you ?
It would have pissed me to hell !!

Yes !
Get out !
I have nothing more to say !
Thanks to you, you've messed up my head good !
One
I am counting to 10 now If you are still here after I count 10
I will throw this
Um
Two
Um after you and father got divorced
three
did father marry the woman ?

He deserves it
He was probably dumped
Because the woman got married to another man soon after my divorce
Eight

I am a daughter of someone like that

No wonder mother is cold at me

A playboy, a gigolo, and wasn't making good money ...

According to mother father was

A useless jerk

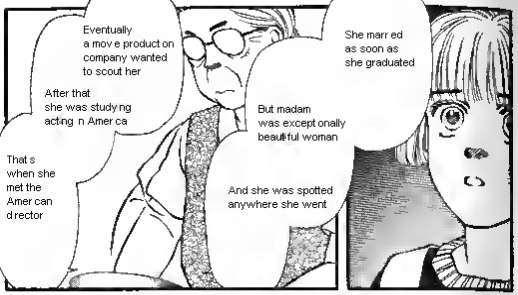
After her father found out about the incident, he was really angry.
That means she did everything she could to look more appealing to him.
And came up with an arranged marriage proposal with a heir of a big bank.

When she was 17, she went to a friend's house and met Mr. Ichirou there.
Madam is an activist

It was because Mr. Ichirou rejected madam.
I find it amusing that mother followed her father's decision.

"I have no intention to marry you!" he said.
He was direct.

Yes ?!



Eventually a movie production company wanted to scout her
After that she was studying acting in America
That's when she met the American director
She married as soon as she graduated
But madam was exceptionally beautiful woman
And she was spotted anywhere she went

He died 4 years later after that day
Did he mean he couldn't live much longer?
I was yelled at by the master though
and told him that if both of them loved each other they should be married and left
But at that time I understood what he said wrong and thought he was busy with his job
This whole thing is becoming more and more mysterious
If he loved her
then why did father have an affair with another woman
